AS NEW BUILDERS OWN HOME!

This well designed and well built home would suit the new home buyer as it is only around 14 months young. Sitting on a 693sqm block the four bedroom home is a generous 297.3sqm under roof and has a North facing lounge room and an open plan family/dining/kitchen area that opens onto the large covered outdoor entertainment area. The kitchen has stone bench tops and a big walk in pantry, gas cook top and electric underbench oven. The master bedroom has a walk in robe and en-suite and window shutters as does the lounge room and kitchen. The other three bedrooms have built in robes and there is a big walk in linen cupboard and storage in the garage. The home has ducted heating and cooling throughout, rear yard access and a big 49.89sqm covered alfresco area. This one is well worth a look.
